

CCAS

**CHAUDHARY
ALI SHAN & CO.**

Who We Are

CAS Constructions is one of the fastest-growing and most admired infrastructure development companies in Pakistan. It has expertise in executing large and complex infrastructure projects. The company is driven to deliver projects 'On-Time without Cost Overrun' using world-class project management techniques and has uncompromising standards of quality, safety and sustainability.

Motorways

Leading in highway and motorway construction. Our innovative approach saves costs, ensures quality, and meets tight schedules. Proudly shaping a better future in Lahore and beyond.

Flyovers & Bridges

CAS Constructions enhances city connectivity with bridges and flyovers across Pakistan, not just optimizing traffic but also elevating infrastructure. We take the initiative to improve the urban environment, aiming for a better outlook in cities nationwide.

Buildings

With expertise in utilities, CAS Constructions excels in engineering and constructing buildings. Notably, we've completed the Hotel in Lahore and are actively working on major projects like the Punjab Collage Tandlianwala.

Power & Energy

CAS Constructions, a leader in energy solutions, provides cost-effective and reliable power generation services. Our innovative approach and environmental commitment contribute to the country's economic and industrial growth, aiming to modernize the power generation sector.

Who do we help?

CAS Constructions is a diversified infrastructure conglomerate with specialization in highways, motorways, flyovers and bridges, buildings, power and energy, airports, dams etc. The Company is responsible for landmark projects that have defined the country's progress. Today, the company stands tall in the construction industry of Pakistan as the pioneer of the 'Fast Track' project execution culture. Transforming challenges into opportunities has been the hallmark of the company, ever since its inception. Every CAS Constructions initiative hopes to empower the lives of the people connected to it. The progress of our people powers the progress of our company. Every accomplishment becomes a foundation for us to do better, dream bigger, and create a better future..

Airports

CAS Construction, in collaboration with international partners, is rapidly advancing the FAISALABAD INTERNATIONAL AIRPORT project. Our seasoned management ensures efficient solutions, making us a trusted name in fast-track, high-quality projects.

Dams

CAS Constructions takes pride in a robust team well-versed in modern and innovative water project construction on a turnkey basis. In the future, leveraging its rich and diversified management depth, CAS Constructions aims to emerge as a highly skilled and advanced project contractor, both domestically and globally.

Power & Energy

CAS Constructions, a leader in energy solutions, provides cost-effective and reliable power generation services. Our innovative approach and environmental commitment contribute to the country's economic and industrial growth, aiming to modernize the power generation sector.

Motorways

Leading in highway and motorway construction. Our innovative approach saves costs, ensures quality, and meets tight schedules. Proudly shaping a better future in Lahore and beyond.

Our PHILOSOPHY

★ LEADERSHIP THROUGH QUALITY

CAS Construction, as an industry leader in construction, currently nurtures projects that span across such diverse segments as transportation, power, road mapping, oil and gas pipeline constructions, irrigation and water supply, utilities and urban infrastructure, all of which impact the nation of Pakistan, and the progress of its people.

✦ BUILDING A NATION

Being the industry leader in innovation and quality CAS Construction, even as you read this, is bringing to bear its wealth of engineering and construction expertise to develop infrastructure aimed at further propelling the nation forward, into the 21st century and beyond.

♥ OUR MISSION

To be renowned for excellence, quality, performance and reliability in all types of construction. To be Industry Leaders in bringing about change and to drive Pakistan into the future Our Vision Statement has been inspired by the global infrastructure development needs of tomorrow, with the Customer as the central focus. Senior Leaders within the organization are actively involved in developing and maintaining an effective and efficient management system to disseminate the Vision across CAS Construction to achieve customer satisfaction.

Our PHILOSOPHY

★ INNOVATION + IMAGINATION

We Create. The road is long and our responsibility towards development, huge. We, at CAS Construction, have taken it upon ourselves to invest all our energies in ensuring that the fruits of our labor reach every corner of Pakistan.

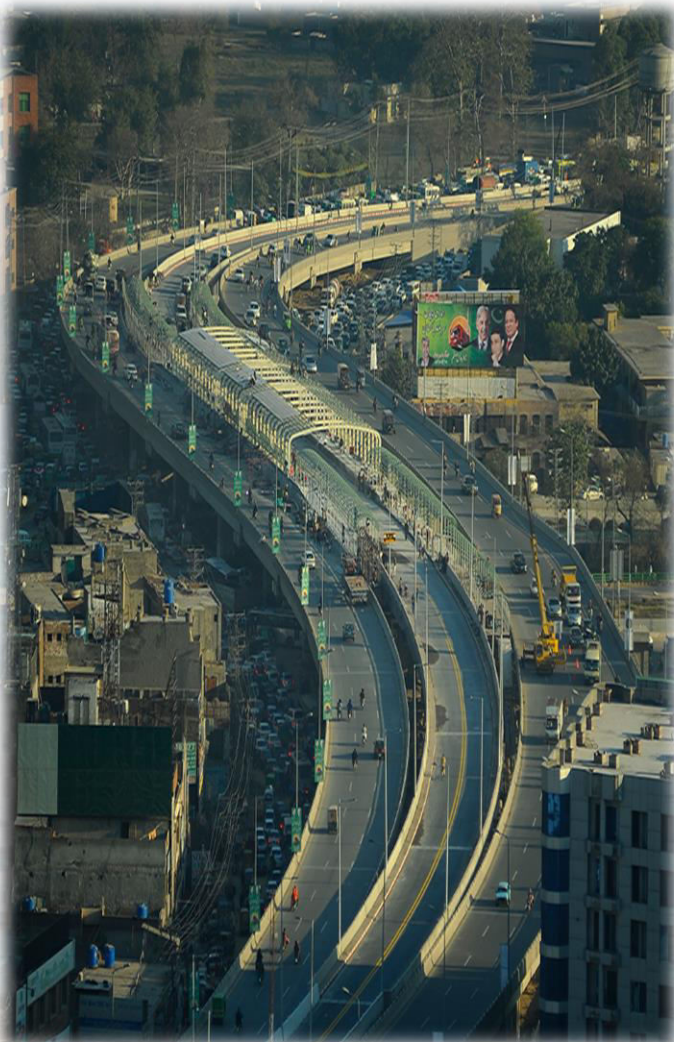

🚩 GLOBAL TO LOCAL

We indigenize the latest global technologies to local conditions and terrain to extract maximum results. And the tangible benefits are being experienced in various parts of the country. We specialize in large-scale civil constructions by leveraging new-age construction technologies.

★ VISION FOR THE FUTURE

To be a leading construction company in the global market through innovation and a firm commitment to the highest standards of quality. To become the customers' most preferred choice by attaining excellence in quality and timely completed value-added projects. To continually innovate, develop and adopt state-of-the-art technology in methods and materials to enhance productivity and cost-effectiveness. To continually improve the competence of our people and make them proud to work at CAS Construction.

Our PORTFOLIO

CEO Message

Since its establishment in 2010, CAS Construction has always been at the forefront of nation-building tasks across the length and breadth of Pakistan. From humble beginnings, while constructing the Karakoram Highway, CAS Construction has grown into a thriving organization today, engaged in multifarious fields of civil engineering. Boasting an extremely vibrant and energetic workforce, a large inventory of resources, harnessing the latest construction technologies and management techniques and enjoying the trust of the Nation, CAS Construction continues to move ahead with full steam to further its aim of becoming the leading infrastructure-developing company in Pakistan.

2022 has been a year of challenges for Pakistan. While COVID-19 effects have largely diminished, the country is still grappling with the devastating effects of massive floods during the Monsoon season...
